

PHOTOGRAPHY AGREEMENT FORM

The Spencerville Mill & Museum and its riverside park are popular locations for photography to mark significant occasions such as weddings and anniversaries. Photographers seeking a heritage backdrop for model shots frequently rent our facilities. Indoors our large windows overlooking the South Nation River allow natural light to fill the building. Water flowing over the dam, geese on the river, and our viewing deck by the Mill Pond are favourite photo backdrops.

Guidelines

- *The Mill is open to the public between 10am – 4pm, July 1 – Sept. 1 and on autumn weekends. Please be aware that if you choose this time for your photo shoot there may be other people present. Photo sessions at other times may be arranged.*
