Volume 3 - Spring 2009

The Spencerville Mill Foundation would like to announce that plans for the upcoming season at the Mill are nearly complete. The special event dates have been set so mark your calendars and get ready for a summer of fun. Also, the website is nearly ready to launch and the in-kind work done by graphic designer Mary Moore of Cedar Lane Studios and web master Joe Moulton of Joe Computer is greatly appreciated by The Spencerville Mill Foundation. We know you will find the website more informative and easier to use

## Spring Cleaning!

Don't know what to do with all those "like-new" treasures you have found at the back of cupboards and closets? Donate them to the Spencerville Mill for the Children's Shopping Emporium at the 2009 *A Country Christmas Remembered*. Judging by the success of last year's event we will need a huge stock for our young shoppers this year. No books please.

Found some great old photos or interesting documents? The Foundation is always interested in information that may be of value to the collection. We scan your photos and documents and return the originals to you.
